(Tampa, Fla.) – Tony Buntyn, candidate for the Republican nomination to the 11th Congressional District admonished incumbent Democratic Congresswoman Kathy Castor for being the 9th most liberal member of Congress – as ranked by National Journal, a Washington, D.C. based magazine that covers Congress.

“In this time of mounting debt, and out of control government spending, Kathy Castor should be ashamed of her liberal voting record. America’s children deserve better than a member of Congress who repeatedly votes to increase the size of government with no idea of how to pay for it other than to pass the debt along to future generations,” Buntyn said.

“If given the privilege and honor to serve the people of the 11th District, I will work hard to ensure fiscal responsibility and accountability. Our children and grand children deserve better than being stuck with all the bills politicians like Kathy Castor are leaving them with,” He added.

Buntyn also pledged to serve no more than five two-year terms in the U.S. Congress.

“Our founding fathers did not envision career politicians who care more about getting re-elected than doing the right thing. I intend to serve no more than ten years and then pass the torch to the next generation of leaders,” he concluded.

Tony Buntyn is a small business owner that has served in the Air National Guard and Air Force Reserve for over 31 years. This is his first political race. <http://www.TonyBuntyn.com>
